

WHAT WILL A NEIGHBOURHOOD PLAN ACHIEVE?

The Parish of Ixworth with Ixworth Thorpe currently has some good amenities and a flourishing community.

Increased population growth will put pressure on our existing facilities but it could also bring new funding opportunities.

Thanks to the 2012 Neighbourhood Planning Legislation we have the opportunity to create a legally binding document.

THIS WILL SAY WHAT WOULD OR WOULD NOT BE ACCEPTABLE TO US.

So our Neighbourhood Plan will influence future planning decisions and direct funding to make the improvements that we need.

WHAT DO WE NEED TO DO?

We need your views and participation to get this right. The Neighbourhood Plan group meets regularly at the Village Hall to work on the Plan. We are made up of some volunteers, some Parish Councillors and a Clerk. We operate as a working group of the Parish Council with an independent Chair. Join Us.

We are preparing questionnaires, surveys and events to gather your thoughts, views and information.

Please take the time to complete and return surveys and questionnaires and come along to consultation events.

Give us your ideas and opinions especially if you have local knowledge, a specialist interest or if you represent a local group or organisation.
